of Correction

Sir:

Upon reviewing the above-identified patent, patentee noted certain typographical errors made by the Patent and Trademark Office, which should be corrected as follows:

In column 23, at lines 11, 27, 29, 36, 38 and 40 of the claims, replace "role" with --pole--.

A copy of Form PTO/SB/44 is attached herewith, listing the above-noted errors.

It is quite evident after a review of the specification and drawings as filed that the errors now sought to be corrected are inadvertent typographical errors made by the Patent Office, the correction of which does not involve new matter or require reexamination. No fee is due.

Patentee respectfully solicits the granting of the requested Certificate of Correction.

The Commissioner is authorized to charge any deficiency or credit any overpayment associated with the filing of this Request to Deposit Account 23-0035.
